NOTICE OF ALLOWANCE

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

It was not found to be taught in the prior art of determining a policy unique to a network component utilizing an identified portion of an IP address, the portion of the IP address includes a predetermined number of bits of the IP address. The plurality of bits are reserved for defining a subnet selector value and the subnet selector values indicates which subnet mask to use.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. Related Art

Xie et al, U.S. Patent 6,772,347 discloses of using address information to match a rule and part of the address is masked using a source/destination IP address mask.

Gifford, U.S. Patent 6,052,718 discloses of subnet mask specifying which portions of an IP address contain network and subnetwork identifiers to determine if addresses are of the same network.

Tanenbaum, "Computer Networks" discloses of subnet masks used for getting rid of the host number and looking up the resulting address in tables after determining which class it belongs to.
